The Dy Comr's letter (dey) gives the history of the case. The Dy Comr's proposals are as follows & his recommendations.

1) Taking over the Brahmin Permanent under Govt management.

2) Increasing the Rate on Cattle from That Cess proposed 6 pies per head to Rs 1 a.

3) One fourth of the Jatra Collections or Rs 210 to be paid over to the Kasampattadars

4) Payment of Dabbi Kanike Collections to Pujaris in lieu of other payments

5) Permitting the Kasampattadars the Archaks to take manure that fall on the grounds.

The Asst Comr has no objection as regards (1), (2) & (5). As regards (3) he says there is no ground for any payment to Kasampattadars. If at all a sum of Rs 100 may be paid. As regards (4) he says it is undesirable to pay the archaks in a lump sum & that it is better they are paid according to a fixed scale. The Asst Comr's recommendations seem to be acceptable. As the Kasampattadars should also be heard before orders are passed, a date may perhaps be given to him & he may be asked if he is agreeable to the proposals of the Asst Comr

As observed by the Financial Secretary there has been considerable delay in dealing with this case. The Muzrai Commissioner's last communication on this subject was received on the 16th August 1928 and the file is put up for disposal now. Such delays should not be permitted to occur.

It appears from the records that the temple and the jatra are being managed by Government for some years past. This arrangement might be continued as recommended by the Muzrai Commissioner and the annual payment of a sum of Rs 100 out of the jatra collections might also be made as a temporary measure to the kayam guttadar of the village.

The Commissioner might be requested to draw up a scale of expenditure to be met from the annual income of the temple for regulating the temple services and for adopting sanitary and other measures required on the occasion of the jatra.

NOTE—Contn. Sheet.

WD 01714—GPB—30,000—18-4-28

The permanent arrangements proposed for the management of the temple and the Jatra, however, require further consideration. It is suggested that the temple might be treated as a Muzrai institution. It is apparently now not in the enjoyment of either a cash or land grant from Government and it is to be treated only as an ordinary religious institution. An institution of this kind can be taken over under Government management only under Section 14 of Regulation No. VII of 1827. Whether the temple can, in the circumstances of the case, be regarded as an institution in respect of which a trust is created and its management assumed by Government under the said Section, on the request of the Kayam Kuttadar, is a legal point on which the opinion of the Law Department may be obtained.

4. The Muzrai Commissioner states that the temple owes a great deal to the Zamindars and the original endowment practically came from them. He may be asked to report what is the original endowment made by the Zamindars to the temple.

5. As to whom the lands on which the Kottu Jatra is held and the temporary shops are put up, is an important point on which clear evi-

information should be obtained. If the lands do not belong to the temple, the levy of fees on cattle brought to the jatra and from those permitted to put up shops, is likely to present difficulties and the Commissioner might be asked to consider whether it is not advisable to acquire these lands out of the funds of the temple.

Enquiry might also be made as to where the amounts to the credit of the temple are kept. It is stated that they are deposited in the Treasury The money should be held in Savings Bank so that it might earn some interest for the benefit of the temple.

The point for consideration is whether the Sappalamma Temple at Thornahalli referred to may be regarded as an institution in respect of which a trust is created and its management assumed by Government under section 14 of Regulation VII of 1927 at the request of the Kayamguttadars. This point has to be answered in the affirmative having regard to the following passage occuring in the application of the Kayamguttadars, dated 9th October 1930 which is the papers under disposal.

[illegible]

This passage is preceded by others which recite that the temple in question was founded by the ancestors of the present petitioners who provided funds for the sevas and jatras held in connection with it. The jatras brought in increasing funds but the fear that lean years may turn up in future and prevent the due celebrations of these sevas and jatras led them to propose the handing over of their management

Serial No.

management to the Muzrai Department of the Government. To give effect to this intention of theirs the petitioners specifically declare in the passage extracted above, a trust not only for the benefit of others but also of themselves. The petitioners are anxious as will be seen from a careful reading of the above passage, to hand over the trust thus created by them to Government for its being managed in and through the Muzrai Department. In other words, there is an express declaration of trust in the properties owned and managed by them in favour of Government as would-be trustees. All the requisites of an express trust are present here. There is an obligation annexed to the ownership of the property not necessarily immovable only; this obligation is expressly declared and accepted by them; and such declaration is for the benefit of themselves and others. These words used must be held to create an express trust. The language is really more definite than is generally found in many cases. A trust is none the less express, because the language used by the settlor is ambiguous or clumsy, if on the true interpretation of that language, the Court comes to the conclusion as a matter of fact that ~~this~~ a trust must have been intended. Thus words of entreaty, prayer or expectation (precatory words) may be held to create an express trust, if, on the whole instrument, the Court considers that the person using them intended them to be imperative and binding. (see Undershill on

NOTE—Contn Sheet.

on the "Law of Trusts and Trustees", 8th Edition, Arts. 3 and 7 (2) b. at pages 9 and 25).

61
Law

In this view of the facts contained in the application of the Kayamguttadars and the law bearing on them, Section 14 of Regulation VII of 1927 must be held to apply. This section empowers the Government to undertake, either temporarily or permanently, the management of a public, religious or charitable institution in respect of which a trust is created when the creator of the trust so desires. In the present case, the temple is not only a public but also a religious institution. The creators of the trust desire the assumption of the permanent management of the institution by Government. The conditions required by the section are thus fulfilled. There can, accordingly, be no objection to the Government taking over the management of the temple permanently on any terms that might seem suitable to them. Only, such conditions should be consistent with the terms under which the trust has been declared by the creators of the trust, that is, that they shall also be beneficiaries under the trust along with others.

as mentioned in the draft scale submitted by the Agitor is Rs.800/- p.a. In view of the proposal to enhance the fee on cattle, the income may ------ increase, as the Jatra is growing in cult and ---- popularity every year; but with the growth of the Jatra, the expenditure on sanitation, conservancy etc., has also to be correspondingly increased. It is therefore necessary to limit payment to the Kayamuttadars to a fixed sum. The two previous Amrai Commissioners, Messrs K. Chandy and P. G. D'Souza, had proposed the lumpsum payment of Rs.10 a year to the Kayamuttadars as compensation, as it was not expedient for Government to pay any --- amount either as a share of profits or as ground rent. But the Kayamuttadars want ½ share of the total collections or a sum not less than Rs.400/- in addition to the concession of taking the manure collecting on the occasion. It seems to me that this is too large a demand. I am therefore of opinion that ¼ share of the shop rent and cattle fee collections subject to a maximum of Rs.200/- may be paid to the Kayamuttadars, in addition to the concession of taking the manure and sharing it with the Archak of the temple, which item alone would be worth an appreciable amount.

5. In view of the growing importance of the Jatra, I am further of opinion that the temple of Chengalianna may be classed as a major institution irrespective

His Highness the Maharaja of Mysore,

Sir,

With reference to correspondence ending with your letter No.202 M.F.183-23 dated 15th August 1924, I have the honor to submit herewith copy of letter R.H.C.No.378/20-21 dated 1st September 1924 from the Deputy Commissioner, Kolar District, submitting a detailed report regarding the management of the affairs of the temple of Channakesava Devaru at Thoranahalli in the Malur Taluk and the matters relating in connection with it.

2. I am in general agreement with the Deputy Commissioner's recommendations contained in his exhaustive report but there are two points which require further consideration.

3. The Deputy Commissioner recommends that ¼ of the Jatra collections or Rs.250/- whichever is less may be paid annually to Kayamguttadars in consideration of the surrender made by them, but I fail to see the cogency of the argument advanced on this behalf. It is not understood how the Kayamguttadars are entitled to a share of the Jatra realizations when the whole show is run by Government agency. No doubt they have made some sacrifice in handing over the temple built by their ancestors to Government management but such surrender on account of their inability to manage does not entitle them to any annuity in perpetuity. When the Kayamguttadars were managing the temple themselves they had no right of fees either on shops or cattle - at least as authorities say - and consequently they were realizing little or no profit. Assuming for the sake of argument, that section of Government [illegible]

is with green, the Kayamkuttadars will not only not realise any inco. but can only get the benefit of manure collecting in their fields by cattle standing thereon.

In his petition to the Deputy Commissioner, Mr. Sriramulu Rao, Kayamkuttadar, prayed that a reasonable portion of the realizations may be given as a sort of rent to his land and that the entire balance may be used for affording necessary conveniences to the Parsons and for repairing the temple. The claim for a share of the income is a subsequent development and does not deserve consideration in my --- opinion. It is not expedient for Government to pay any amount either as a share of profits or as ground rent, but there is no objection to the Kayamkuttadars being paid annually after the Jatra, a sum not --- exceeding Rs.100 a year as compensation.

4. The Deputy Commissioner estimates that the realizations from the Dabbi Manike will be from Rs.250/- to 300/- a year and that a -- fixed sum of Rs.250/- may be paid to the Pujaris on condition of their bearing all expenses of puja and utsavas throughout the year except during Jatra.

Payment of such lump sum grants once a year does not seem to be the practice any where else. When once the pujaris receive the amount and spend it away they will naturally neglect the puja and it will be rather difficult to enforce discipline. Moreover, the Deputy Commissioner recommends that irrespective of the Dabbi collections, the pujaris should be paid Rs.250/- annually. If, in any one year - as in the case of last year - even though no income accrues to the temple, the Pujaris demand will have to be met as they will have rendered service in the temple. For these reasons it seems to me to be necessary to fix a regular scale of expenditure under the several heads as in the case of other Major Institutions and allow the Amildar to draw and - disburse to the Pujaris the amounts required for monthly expenditure.

5. With the above observations, I beg to submit the letter for the orders of Government.

6. The file of vernacular papers are sent for reference and I am -- return.

Your most obedient servant,

Mukhtar Commissioner.

Letter No.R.I.C.473/30-31 dated 15th October 1930 from the Commissioner, Kolar District to the Secretary to the Board of ...

"With reference to G.O.No.301 -15/Mun.,dated 3rd October 1923, sanctioning the continuance of the levy of fees on cattle ... during the Jatra of Sri Chappalamma Devaru at Kayamguttadahalli village in Malur Taluk, for the year 1923-24, I have the honor to forward herewith the entire correspondence ... with Malur Taluk ... report No.195 dated 24th November 1923, and to state as follows:--

2. Sri Chappalamma Devaru is reported to have been ... a man of the Kalligar caste at Thorahalli about sixty years ago ... the Joaidars do not admit this statement. ... by all agricultural classes and is held ... of the belief that the Godaess would cure all cattle diseases. ... Jatra was first organised by the efforts of the ... large number of cattle and men gather during the time of the Jatra. ... which has been becoming ... cattle come for the Jatra from the ... frontier Districts of Salem, Anantapur, Bellary, Dharwar and Belgaum ... Dharwar and are purchased by dealers from Tuticorin, Ceylon etc. The Kayamguttadars petitioned to Government in February 1914, praying that, on account of their inability to manage it efficiently, the Jatra might be taken over under Government management and a share of the income paid to them. Government were pleased to sanction a temporary assumption of the management of the Jatra and the levy of ... fees on cattle and shops for two years as an experimental measure ... question of its permanent assumption being deferred to future ... consideration. Necessary sanction is being obtained from year to year after year till now.

3. The Jatra takes place in the month of Pushya corresponding to ... February-March and lasts for about a week. About 40 thousand cattle and a number of shops gather during the Jatra. It is one of the largest held in the District. A statement of income and expenditure ... by the Amildar is placed in the accompanying file. It shows that the income during the last 7 years from 1916-17 to the end of ... was Rs.7,217-14-11, and the expenditure Rs.1,471-4-10. ... the income and the expenditure for the year 1929-30, ... and expenditure for all the ... 13-10 respectively. ... Sum of Rs.607-0-0 ... a contractor towards the dues for the year 1930-31.

the gross revenue and necessary steps are being taken to recover the amount. The cattle-tax now levied is only six ies per head, the small number of the local officers, the Kavalkuttadars and the Ralyes suggest that this rate should be raised to one anna per head in the case of the big cattle only. I am in favour of this proposition since this rate prevails in several neighbouring places in the District and therefore recommend that the proposed enhancement may be sanctioned.

4. In view of the fact that the institution has an average income of more than Rs.1,000/- per annum and that Kavalkuttadars and Pujaries are favourable to the arrangement, I recommend that the institution and the patta may be taken over permanently under Government management and the former recognised as a Mazhral Institution. The levy of fees may also be made permanent.

I inspected the place on the 13th August 1924 and held enquiries about certain representations made by Kavalkuttadars and Pujaries. The former urged that one-fourth of the income from the jatra might be given to them in consideration of their surrender of the jatra. Their prayer deserves due consideration and I recommend that one-fourth of the jatra collections or Rs.250/- whichever is less, may be given to them. The Pujaries requested that the collections from Kanikkavakku might be paid to them, as usual in lieu of monthly cash-payments for their service. I consider that this representation is equitable and may be sanctioned. The realisation from this source, which is roughly estimated at Rs.250/ or Rs.300/- per annum may be paid to Arcotaks, subject to the condition that they should not demand any monthly allowance and that they should bear all expenses of pujas and Koothavans throughout the year except during the jatra time.

5. The kavalkuttadars are taking the manure collected on the jatra grounds and the Poojaries also take the droppings of cattle etc., collected in the surroundings of the temple, on a defined area. These people may be permitted to take the manure as per former without payment. The ryots of the village also requested permission to take the manure collected on their lands, but this is a private dispute which the parties have to settle between themselves. The financial effect of the above proposals will be as follows.--

Gross earnings of the institution from all sources, including Dabbi-kanike, Mohatarfa tax etc., &c.,	Rs.1,000-

EXPENDITURE:-

1. Jatra expenses including Sanitation, lighting etc.,	300
2. Payment to Jodidars towards a share of earnings.	250
3. Payment to Poojaries out of Dabbi kanike realisations.	250
4. Mohatarfa payable to Jodidars.	50
5. Remuneration to Utsavam bearers Dhobi, Potter, Musicians etc., etc.,	30
6. Contribution to Muzrai Establishment Fund at 5%	60
Total expenditure	Rs. 960
Net savings.	640.

7. The institution has to be treated as a major one, a suitable scale will be fixed and submitted after receipt of Government sanction to take over the management of the institution. Proper formalities will also be taken from the Jodidars and the poojaries.

8. The jatra realisations have been credited to the funds of the Sri Chappalamma Devaru temple. They are not deposited in the Savings Bank account. There appears to be some technical error in crediting the amounts to the Treasury, and the matter will be rectified in ---- consultation with the Comptroller to Government.

I request that early orders of Government may be obtained."

To

K.R. Srinivasiengar, Esq., M.A.,

Second Member of Council,

BANGALORE.

HONOURED SIR,

I, the undersigned, K. Sreerama Rao, Kayam Guttadar of Tornahalli in Malur Taluk, beg leave to submit the following for your kind consideration:--

It is within your personal knowledge that in the abovenamed village there is a Temple dedicated to Chappalamma and a big Jatra is held annually in connection with the Rathotsava. The temple is a non-Muzrai Institution and it is our expressed desire that the temple is taken under the temporary management of Government and the Jatra is also conducted through Government agency. In connection with the permanent arrangements to be made for the future, the Deputy Commissioner has submitted proposals and they are now before Government for orders. The Kayam Guttadars have an inherant and superior right in the management of the temple and its various concerns. In making permanent arrangements for the future the interests of the Kayam Guttadars have to be safeguarded and they are kept in darkness as to the lines on which the temple has to be managed in future.

I beg, therefore, that the Kayam Guttadars have graciously be given an opportunity to represent their

case and to produce ~~before~~ the documents in their possession before final orders of Government are passed.

For the above act of kindness, I shall feel ever grateful to you.

I beg to remain,

Honoured Sir,

Your most obedient servant,

BANGALORE,

13th Novr. 1924.

To

The Dewan of Mysore,

BANGALORE.

Respectfully sheweth Sir.

The humble petitioner K. Sri Rama Row, Kayamguttadar Thoranhally, Malur Taluq, Kolar District, begs the following to your benign consideration

In the year 1914-15 the petitioner requested the Government to take the management of Sappalaman Jathra in the Kayamgutta Village and claiming as Guttadhar only 1/4 of the yeild in the collections of shop and bullock taxes and the manure of the jathra. The Hundi opened in this occasion at the temple consists of the collections namely 0-0-3 pies for a cocoanut, kappam and kanikay and mudupu in all shapes, should belong to the Muzrai Department. Accordingly the Government complying with my request took the whole management in 1916 and conducted the work satisfactorily for 3 years 1917, 18, 19. All output for these 3 years has now been deposited in the Government.

In the year 1920, the then Amildhar of the Taluq - auttocratically stopped Hundi and let other yields of income on contract. This income through the contract not being properly carried out is still left uncollected. Immediately this mismanagement was reported to the authorities of the Government and the delay in the enquiry for 3 years has caused a loss of about Rs.600/- to the Government in Hundi. The same Jathra in the kayamgutta village is to take place in the month of January 1925 next.

All

All necessary records in connection with this case, I hear is appended with the case-file now at your disposal.

The humble petitioner earnestly and respectfully begs that an immediate order might be granted to resume the management of the Jathra by the Government by institing Hundi and other paraphernalia for the occasion as - usual to the advantage of both the Government and Guttadhar, for which act of kindness the petitioner ever prays.

I beg to remain
Respectfully sheweth Sir,
Your most obedient servant,

Sd.K. Sree Rama Row.

B. Srinivasa Iyengar, Esq., B.A, B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to correspondence ending with your letter No.-- 1060/Muz. dated 29th December 1927 re the management of Chapalamma -- devaru temple at Thoranahalli in the Malur Taluk, I have the honor to forward herewith copy of letter No.A2-C.3265/26-27 dated 21st July 1928 from the Deputy Commissioner, Kolar District, submitting copies of the resolution of the District Board and the President's letter dated 19th April 1928 in the matter and to state as follows.

2. At a meeting held on the 4th April 1928, the District Board have resolved that the Government may be requested to hand over the management of the Jatra to them and that an estimate be called for for the repair of the Malur Thoranahalli road. The President while giving -- cover to the Boards resolution states that the Board are not in favour of giving any thing to the Kayamguttadar and would undertake the --- management of the jatra and temple, that they agree with the views of the Muzrai Commissioner (Mr. K. Chandy) and are of opinion that the Kayamguttadar is not entitled to anything beyond the manure collections and the rent for the land and that the archak and other servants should be paid a fixed monthly remuneration and requests that the -- management of both the temple and the jatra may be vested in them.

3. The Deputy Commissioner states that the jatra is now being ---- satisfactorily managed by the Amildar with the help of the Taluk staff

and the collections are being credited to the funds of the temple year after year and that he is of opinion that the temple may be -- treated as a Muzrai institution and the management of the jatra -- continued in the hands of the local revenue and Muzrai authorities instead of handing it over to the District Board and that it is the duty of the Board to provide funds for the construction of the road as it is required for public convenience and that when-ever necessary a moiety of the cost may be met out of temple funds. He therefore -- recommends that the temple and the jatra may be taken over permanently under Government management and the temple recognized as a major Muzrai institution.

4. The jatra held at Thoranahalli seems to be the largest in the Kolar District and the income to the institution is more than Rs.1000/- already— with ~~beg~~ better care and management the income may be raised much higher and the institution made a very prosperous one. It does not seem expedient to hand over the management of the temple and the Jatra to the District Board as it will create a very inconvenient -- precedent.

I agree with the Deputy Commissioner and beg accordingly to --- recommend that the temple and the jatra may be permanently taken under Government management and the former treated as a major Muzrai institutions, a suitable scale of expenditue being fixed.

The cost of sanitary, veterinary, and other arrangements on the -- occasion of the jatra will be the first charge on the realizations as per standing orders and if these are undertaken by the District Board either wholly or in part according to local circumstances, the total cost thereof will be treated as a contribution from temple funds to the District ---- Board.

5. The temple owes a great deal to the Jodidars and the original -- endowment practically came from them and their ~~ex~~ claim for compensation - seems to require sympathetic consideration. I am in agreement with Mr. Chandy's proposal to give them annually a sum not exceeding Rs.100/- out of the Jatra collections as compensation.

6. The file of vernacular papers is enclosed for reference and obliging return.

I have the honor to be,

Sir,

Letter No.A2-C.3265/26-27 dated 21st July 1928 from the Deputy Commissioner, Kolar District to the Muzrai Commissioner in Mysore.

With reference to your Memo No.C.1570/26-27 dated the 16th April 1927 forwarding a copy of letter No.1927 Muz.183-23 dated 7th April 1927 from the Financial Secretary to Government regarding the management of the temple of Chappalammadevaru at Thornahalli, Malur Taluk and the jatra held in connection with it and calling for the views of the District Board in the matter, I have the honor to forward herewith copies of the resolution of the Board and the President's letter No.C.O.350/27-28 dated 19-4-1928 thereon and to state as follows:--

It will be seen from the President's letter and the resolution of the Board that they want the management of the jatra to be handed over to them. They agree with the views of the Muzrai Commissioner (Mr. K. Chandy) that the Khayamguttadar is not entitled to anything beyond the manure collections and rent for the land.

As regards the handing over of the management of the jatra to the Board, I may add that the jatra is now being satisfactorily managed by the Amildar with the help of the Taluk Staff and the collections are being credited to the funds of the institution year after year. I am therefore of opinion that the institution be treated as Muzrai one and the management of the jatra continued in the hands of the local Revenue and Muzrai authorities instead of handing it over to the Board as the latter are not subject to the provisions of the Muzrai Regulation.

It is however the duty of the Board to provide funds for the construction of the road as it is required for public convenience.

As regards the payment to the servants of the institution the question of fixing a regular scale of income and expenditure to this institution has been under correspondence and suitable proposals will be sent up in due course.

About the repairs of Malur Thornahalli road, a moiety of the cost thereof may be met out of the funds of the institution whenever necessary and the balance to be paid by the District Board.

Under the above circumstances, I recommend that the institution and the jatra may be taken over permanently under Government Muzrai management and the former recognised as a major Muzrai institution, as

already

already stated in this office letter No.H.C.372/20-21 dated 1-9-1924."

The Mag. Conr.

Sir,

With reference to your letter No. 1579/26-27 Dtd. D. 12/4 [illegible] re the management of Chippalamadaiyan temple at Nonamalli, Malur Taluk, I am directed to state that the records show that the Jatra temple and the Jatra are being managed by Govt. for some years past. This arrangement might be continued as recommended by you and that the annual payment of a sum of Rs. 100/- out of the Jatra collections might also be made, as a temporary measure, to the Kaiyar Guttadar of the village.

A scale of expenditure to be met from the annual income of the temple may be drawn up, for regulating the temple services and for adopting sanitary and other measures required on the occasion of the Jatra and submitted for sanction.

Separate orders will issue as regards the assumption of the management of the institution by Govt. permanently. To this end information may be furnished as to what the endowment originally made by the K. [illegible] to the temple is. Investigation may also be made as to whom the lands on which the Jatra is held and the temporary shops put up belong and in case it is found that the lands do not belong to the temple the acquisition of the lands out of the temple funds may be considered to prevent future difficulties in regard to levy of fees on the occasion.

Honoured Sir,

We, the undersigned Khayamguttadars most respectfully, beg to place the following facts for your kind consideration and favourable orders:-

For the last fifty or sixty years the management of the Chappalamma Temple and the festival and Cattle Show at Tornahalli, Malur Taluq was under our management. It was handed over to Government Management in 1916-1917 on condition that (a) Government would improve the temple and the cattle show), & (b) that a fourth part of the revenue of the festival would be given away to the Khayamguttadars and the small balance that may thereafter be left used for improving the temple and the small tanks round about it for the use of cattle and for sanitation purposes.

We beg to state that till this day we are not informed of the yearly income and the expenditure effected, for the last twelve years, though it was distinctly understood by the document sent at the time of handing over the management to Government, that we should be taken as members and as such should also know the revenues and the expenditure incurred in the Jatra.

Several petitions have been addressed to the Revenue Commissioner and the Deputy Commissioner - in this connection and we have not received any - favourable orders regarding the matter. We have come to know that the Pujari of Tornahalli Chappalamma Temple has been given a sum of about Rupees 400/- without our knowledge. We do not know how - this sum was given to the Pujari while we, the organisers, have not been given our share for the last 12 years.

We the undersigned therefore most respectfully beg that the matter may be disposed of early and our one-fourth share of the total revenue of each year - commencing from 1916-1917 may be made payable to us at an early date.

For which act of kindness we remain ever grateful to you.

We beg to remain,
Honoured Sir,
Your most obedient servants,

Tornahalli,
Malur Taluq,

Khayamguttadars.

To

The Deputy Commissioner,

Kolar District,Kolar.

Most Respected Sir,

We the undersigned Kayamguttadars of Thornahalli village, Malur Taluk, beg most respectfully to submit as follows:--

Our ancestors built the temple of Sri Chappalamma Devaru in Thornahalli and arranged for an annual jatra and cattle show in connection therewith.

The jatras and the cattle show are being held for upwards of 70 years and the expenses relating to the above temple ~~of this~~ and another Muzrai Institution Sri Bhimeswara temple of this village and for affording facilities to persons congregating at the jatra, are met out of fees collected at the jatra the balance accruing to the Inamdars.

The jatra and the cattle show gradually grew in importance and in bulk, so much so, that in 1915 we thought it advisable to entrust its management to Government provided we were assured of a grant of one fourth of the total income that might ~~occur~~ accrue from collections of fees on shops and cattle.

We thus petitioned to Government on 31-1-14 and gave a mutcha-lika before the Amildar Malur Taluk on 9-1-15, requesting Government to take ~~on~~ over the management, allowing us to take the manure collected on the jatra rounds, and giving us one fourth of the income of this jatra ~~and~~ shops and the cattle show.

Government in their order No.1761-3 Muz 386-13-4 dated 25-1-16

accepting the recommendation of the Deputy Commissioner,Kolar District, sanctioned the levy of fees on shops and cattle on the scale fixed for the Sri Markanadeyaswami Jatra at Vakkaleri, as an experimental measure for two years, at the end of which period a report was called for from the Deputy Commissioner, the question of taking over the management being ordered to lie over till receipt of the Deputy Commissioner's report.

We beg to submit that this question of taking over the management has not been decided by Government.

The jatra is yearly growing in volume and bids fair to become the biggest jatra in the Kolar, Tumkur and Bangalore Districts in the near future.

We have built the temple and organised the jatra and improved it at considerable trouble and cost and brought it to its present condition, the collection of cattle ~~show~~ now being upwards of 50,000 pairs and in order to secure its permanence and its ~~ability~~ utility to the public at large we have deemed it advisable to hand over its management to Government on condition (1) that we may be allowed to take the manure as per mamool and in pursuance of Government order No. R.793-800 L.R. 2-17-140 dated 29-2-22 giving right of manure to holders of land in each cases.

(2) that we are given one fourth of the total collection or a lump sum amount of Rs. ~~900/-~~ (400) Four Hundred in view of the expected further improvement of the jatra and increase in revenue, whichever Government may be pleased to direct, the balance being utilised for temple purposes and expenses connected with the jatra and

(3) a committee for the management of the jatra and the temple be appointed, two of the members of which being always chosen from among the kayamguttadaras.

In this connection it may be permitted to state that with the help of some charitably disposed ~~of~~ persons of different communities

communities that assemble during the jatra,

(we) agree to Government officers and the required staff to freely and without any impediment enter upon the jatra premises both during and sometimes before and after the jatra and do all acts necessary for the safe conduct and management of the jatra and are prepared to execute a mutchalika to that effect whenever called upon by Government to do so.

The Chappalammadevaru temple is our private institution and the archak our servant. We learn that Government have been pleased to give him Rs.400/- out of the accumulated funds of the jatra. The archak has executed an agreement before us to perform the worship of the deity in consideration of being allowed to take the manure on a specified portion of the jatra grounds and the ordinary kanikes paid by devotees during ordinary times. A copy of the agreement is herewith attached for kind perusal. How his remuneration was fixed and paid while our prayer to be given one fourth of the income remains unsatisfied ,we fail to understand.

We therefore humbly beg we may be given our share of our fourth of the income which has accumulated since Government has taken over collection of jatra fees, the amount thus granted being credited towards the contribution due from us for the restoration of the tanks of our village, an estimate for which is pending before Government.

We beg to state that the immediate restoration of the tanks is absolutely necessary as they form the only source of water supply to men and cattle that collect at the jatra.

We beg to be permitted in this connection to bring to the kind notice of our benign Government that we belong to a family the members of which served with distinction both in Mysore and Madras. Our ancestors held very high offices in the early eighteen hundreds under Col.Read and Sir T. Munroe a distinguished Governor of Madras and in recognition of eminent military services rendered to the British by our ancestors

ancestor Krishna Rao, Sir T.Munroe appointed him as his chief native assistant in the Baramahals Jedea and other Districts and after his death in 1800 got back to his family several inam villages in the Mysore territor that had belonged to the family and had been confiscated by Tippu Sultan and gave his youngest son Ramachandra Rao Head Sheristedar of the Board of revenue Madras and our ancestor Appaji rao Head sheristedar of Nellore and other Districts.

Our village Thornahalli is oneof the villages thus restored to our family. copy of the sannad granted by the late Maharaja Sir Mummadi Krishnaraja Wadiyar Bahadur to our ancestor Appaji Rao granting our village of Thornahalli is herewith ~~with~~ submitted for kind perusal.

Two villages in the Madras presidency were also granted as Jahagirs to the said Ramachandra Rao for the valuable help rendered by the family to the British during the troublous days of their encounters with the 'Tiger of Mysore'

We beg to append a copy of Sannad granted by Sir George Barlow Governor of Fort St.George to our ancestor Ramachandra Rao and an extract from the Encyclopedia of Indian Worthies " page 356 for kind perusal.

Our ancestors have always stood most loyal and faithful to the Government and have also received their kind support.

We now most respectfully and humbly pray that the favourable and treatment and support vouchsafed to us all along by our benign Government may be extended to us in the present case and our prayer generously considered.

SIR,

With reference to the correspondence ending with our letter No.1706/Muz.183-23-13 dated 25th February 1929 re: Management of -- Chaudalamma devaru temple at Toranahalli, Kolar Taluk and fixing -- the scale of income and expenditure of the temple, I have the honor to forward herewith the file of vernacular records and the Kolar Sub Division Officer's letter No.R.i.C.1512/27-28 dated 10th October 1929, which contains the information on all the points called for in your letter under advertence. I beg to recommend that the temple may be taken under Government management and the scale of income and expenditure submitted by the Deputy Commissioner sanctioned. Under the scale, a sum of Rs.100/- has been provided for the annual pooja to the kayamguttadar out of the Jatra collections and beyond this, the institution will not be in a position to contribute. The land on which the Jatra is held belongs to the Jodidar. As opined by the Sub Division Officer the acquisition proceedings may be dropped and the present arrangement of paying the Joddidars ground rent in lieu therefor continued as the acquisition of the said lands will entail a heavy expenditure. In reference to your memo No.1570/26-27 dated 2nd March 1927 calling for certain particulars desired by the Financial Secretary in his letter No.1706/Misc.183-23-13 dated 25-2-29 on the above subject I have the honor to forward herewith a copy of letter C.No.L.Dis.1512/27-28 dated 10-9-29 from the Sub Division Officer, Kolar containing information required. The scale of income and expenditure proposed by the Amildar may kindly be sanctioned. In the scale, a sum of Rs.100/- has been provided for the annual payment to the Nayakguttadar. Beyond this, the institution is not in a position to spare more money.

2. As opined by the Sub Division Officer, the acquisition proceedings may be dropped for the present and the present arrangement continued.

Letter No. R.1.C. 1312/27-28 dated Kolar, the 10th September 1928 from the Sub Division Officer, Kolar Sub Division, to the Deputy Commissioner, Kolar District.

Subject:- Management of Chappalamma Jatra and Temple by Government and fixing a scale of receipts and Expenditure,- Kayamguttа Thornahalli Village, Malur Taluk.

Thornahalli Khayamguttadars built a temple in their Village some 50 or 60 years ago. Some time after a cattle Jatra was also organised by them. In 1915 when the Jatra had grown of sufficient impor--tance, the Khayamguttadars petitioned to the Deputy Commissioner that the Jatra and Temple might be taken under Government management and requested that a certain proportion of the collections of the Jatra might be given to them, as the ground rent for the Jatra lands.

The Deputy Commissioner recommended the proposal and Government order dated 25-1-16 Flagged A was passed authorising the levy of certain rates of fees at the Jatra for a period of two years. The question of taking over the temple under Government Management was asked to be further investigated giving due weight to the the income from the collections.

The Jatra was permanently taken over under Government, fixing an annual payment of Rs. 100/- (tentatively) to the Khayamguttadars out of the Jatra collections Vide Flag B)

The points now to be answered are:-

1. Endowment originally made to the Temple by the Khayamguttadars.

2. To whom the Jatra ground belongs.

3. If the ground is private whether it is not possible to acquire the lands from the funds of the institution so as to avoid difficulties Re: collection.

4.The amount at the credit of the institution.

The Amildar after obtaining written statement from the Jodidars reports:-

1 The land on which the temple stands and the Jatra is held- belongs to. Jodidar.

2. No endowment is made except that the Jodidars built the temple and the Puja was arranged to be conducted on agreement between the Pujari and them-selves and the manure collected round the temple during the Jat might be used by the former.

3, The amount at the credit of the Temple is Rs. 5,000/- in Savings Bank (Fixed Deposits) Rs. 2094/- in S.B. The Jodidars a
